# MOYA SHARES THE BENEFITS OF BANKING AT YOUR COMMUNITY CREDIT UNION

This summer, Moya attended several Slovenian community events to raise awareness of the benefits of banking at a credit union. Moya's tent was visible at the Pečenkafest in July, at the soccer and baseball weekend at the Slovenian Summer Camp in August, and at the traditional Oktoberfest at the Slovenian Hunters' & Anglers' Club in Alliston at the beginning of September.

Moya staff shared some helpful resources and provided information for those interested in learning more. Moya's

wheel of fortune was a huge hit with the children, who won many useful prizes at the events. This summer promotion was also an opportunity for Moya to collect feedback from members and from others interested in joining our credit union with a short survey.

Participants had the chance to win two Toronto FC tickets. We are pleased to announce the winner of the tickets is **Paul Podobnik. Congratulations!**
