## AUTHORIZATION

I acknowledge that I have permission to use MemberDirect® Direct Services to access the above noted account and to conduct transactions as may be permitted with respect to any such Account. I agree to follow the instructions of the Credit Union in effect from time to time with respect to the use of the Electronic Services.

When I use my Personal Access Code (PAC) to conduct any Transaction, I agree that this is the legal equivalent of having given a written, signed instruction to the Credit Union to complete the Transaction, and therefore agree to be bound by each such Transaction. This means that I authorize and direct the Credit Union to debit or credit, as the case may be, the amount of any Transaction to the Account or Accounts designated by me at the time of the Transaction, in accordance with the Credit Union's normal practices and the terms and conditions of my Operation of Account Agreement / Account Contract. The Credit Union's practices respecting the debiting or crediting of any Transaction under any of the Electronic Services may be revised from time to time with or without notice to me, and the Credit Union reserves the right to require me to physically sign original documents before completing certain Transactions if it believes it is advisable for our mutual protection.

I agree that I will not hold Moya Financial Credit Union liable for any delay, loss, damage (direct, indirect or consequential) or inconvenience whatsoever caused by or arising from the provision of or failure to provide services or the malfunction or failure to operate of any software or equipment for any reason whatsoever. Furthermore, I agree that I will not hold the Credit Union liable for any personal injury, or property damage or any loss of business or profit or other indirect or consequential damages whatsoever because of a system failure or malfunction, or an unintended disclosure of my personal information due to accident or fraud on the part of a third party.
